Community School Board Candidate Addresses State Funding

On February 8, Community School Board candidate Jane Smith was invited to speak to the Community Civic Association regarding the current state education funding proposals. In her opening statement, Smith said, "There is no doubt that education funding has been reduced for the last three consecutive years. I don't see that changing- but I have concrete steps to help protect the district in these difficult financial times." Smith went on to outline her plans, discussing in depth the best way to use fund balance and grant opportunities. She also spoke of her recent meetings with both State Senator John Jones and Assembly Representative Susan Daily. Civic Association members listened attentively and asked thoughtful follow up questions.
